Math Problems Perplex Students

Leeites struggle through the various phases of mathematics. Teachers under the supervision of Mr. Robert Wood try to stress the importance of Algebra I and II, Geometry, Trigonometry and Analytical Geometry.

Because of the increasing number of students, the demand for more Math teachers is evident. Many of the veteran teachers have had to take courses in the new modern maths to cope with the problems of the students.

Mr. Bob Wood talks with an interested mother about the new math.

History Exhibits Research, Lectures, Relaxation

Mr. John Naranjo asks advice on research material for a lecture in American History.

Answering the questions of Seniors taking Civics is one of the favorite tasks of Miss Margaret VanValkenburgh.

The Robert E. Lee History Department, under the direction of Mr. Jack Mayberry, introduces the many aspects of Texas, American and World History, Civics and Economics.

In order to learn how this great nation can survive under any conditions, American History is taught to the students.

Texas History enables the students to learn more of the exciting background of the Lone Star State.

Information introduced to World History students ranges through the ages, from the days of the caveman to World Wars.

Civics presents the students a basis for the fundamentals of American government and the structure of other world governments. Economics, however, introduces the basic structure of the American Economy to the students.

After a tiring day of World History lectures Mr. Harold Leach relaxes and sinks a Hole-in-one.

Customs, Culture, Literature Stressed by Language Department

Mr. Sam Lopez emphasizes a point in grammar to one of his Spanish II classes.

Miss Jo Hestand
Department Head

Mrs. Catherine Carson

In the Language Department many Leeites begin studying the intricate structures of foreign languages. Under the direction of Miss Jo Hestand, the department gives instruction in Spanish, French, Latin and German.

Latin, the basis of the romantic languages, reveals to students the cultures of an ancient age. German, in its second year at Lee, offers students a chance to study the culture and language of modern Germany.

Because more advanced courses are offered in Spanish and French, students taking these languages are able to study the literature, as well as the customs and cultures of Spanish and French speaking countries.

Since his first introduction to Leeites, Auke has won many friends and contributed memories that will forever be reminders of his presence at the "Home of Champions."

Janet Hanson

Janet Hanson, editor of the BUGLE CALL and outstanding journalism student, has had the responsibility of presenting the student body with timely, accurate, and interesting news.

Janet's year has been filled with pictures, stories, galleys, and columns. Being editor of the BUGLE CALL has often meant working during lunch and long after everyone else has gone home, in addition to the two class periods she devoted to the paper each day.

Kathy's ability, imagination, and perseverance have worked for the TRAVELER staff to produce an annual dedicated to youth and their activities.

"Seniors '67 are great,
We're the class that makes Lee rate."

Ginger Wayland Faye Lillian Mavis
Diane Susan Gerald Steve

This was the year that we finally got to sit in the bleachers instead of on the floor during the pep rallies, and this was the year that we weren't the underclassmen! Our second big year at the "HOME OF CHAMPIONS" was off to a good start with not even one point scored against Lee in the first six games of the season, even with the near necessity of having a swimming meet during the Corpus Christi Regional game. The Juniors contributed greatly to the football season with twelve boys on the team.

This year the junior class boasted over eight hundred members, the largest ever at Lee.

Now this year comes to an end, and as juniors we look forward to our last year at the "HOME OF CHAMPIONS" -- Where the action is...

"Seniors '68, we're the ones that make Lee great."

Sophomores remember all the loud pep rallies and the hard gym floors where we sat because we were underclassmen.

For the first time we felt the fears of the first day in high school and of final exams.

Some of us will be going to the new high schools next year, but we will still remember our sophomore year in the Lee family.

Lee's Foreign Student

Blonde, blue-eyed Auke Kroondijk, foreign exchange student from the Netherlands, has become a familiar face around campus this year. His participation in school functions showed his eagerness to be a part of Lee. He has been seen at pep-rallies, football games, club meetings, parties, in the Dixie Band, and many school activities.

Since his arrival in August, Al has lived with the Conrad Wrights and has become the ninth member of their family.

Al's easy, informal manner and sense of humor have made him a favorite here at Lee. Returning to the Netherlands in June, Al will take with him many impressions and memories of America and Lee that he will remember always.

Auke enjoys the Halloween party given for him by the Foreign Student Club.

Auke keeps up with the academic side of school life during his study-hall in the library.

Auke enjoys playing pool at home with his American brother, George Wright.

As one of the beaus of FHA, Al was an honored guest at their annual banquet.

Mrs. Wright, Carol, and David look on as Al and George concentrate on a game of chess.

Santa Brings Lee State

In 1965 Santa brought Lee the best year in its entire history. The two most spirited seasons in Lee's life, Christmas and football, collided leaving students with Christmas wishes for the coming games. Students, teachers, parents, merchants, other schools--in fact the whole city--boosted Lee's spirit to a height that can never be equalled.

Telegrams rushed in from all over the State, bonfires and pep-rallies were held, petitions poured in, merchants converted their bill-boards overnight to support Lee, and with a new found strength the Volunteers fought on to the State finals.

For their hard work, the Volunteer football team was presented with a cake by the Traveler Staff.

Football players Bill Viner, John Douglass, Doug Conery, Terry Keener, and Coach Bill Evans open their best present from Santa--the trophy for State Finals.

Pre-game Christmas spirit sparks Lee enthusiasts Pat Pilat, Darwin Sealy, Terry Sawyer, John Bretz and Janet Brown into decorating a Christmas tree with Rebel flags and crepe paper.

"Something Special"

The Senior Class act represented the class's A-Go-Go spirit.

The Wee-Two Gentle Sisters sang "You Were On My Mind" for a first place in the vocal division with accompaniment.

Folk singer Mary Ann Hammond entertained for her second year in the show.

Hits Lee

This year's talent show, "Stars Over Lee," blasted with the theme "Something Special."

The talented, popular Pipelines with their West Coast sound, received "Best Overall Act." Two of them, Johnny Gross and Bob Geissler, won the award for "Best Showmanship" with their version of "I Got You (I Feel Good)."

Pam and Cindy Gentle copped first place in the vocal division with combo backing. Close behind in second place was Tony Dale, backed by the Soules, for his version of "House of the Rising Sun."

Melinda Jackson, singing "Tide Time," which she composed herself, was credited with a first in vocal with backing other than combo. Merrily Weeber received second place for "Summertime."

Molly Buttler won first place in the dance division, Jo Ann Trevino placed second. Donna Gardner won Honorable Mention for her tap dance.

Coming up to a first in instrumental division was Jimmy Autry's band. Second went to Joe Linguist's combo for "Misty."

In the specialty division, Patsy Fest took first for her skilled acrobatics. The Senior Class danced to the music of the Pipelines in a take-off of Hullabaloo.

Posing as Sonny and Cher, Johnny Gross and Bob Geissler sang "I Got You (Bob)."

Due to close competition in her division, dancer Donna Gardner was awarded Honorable Mention.

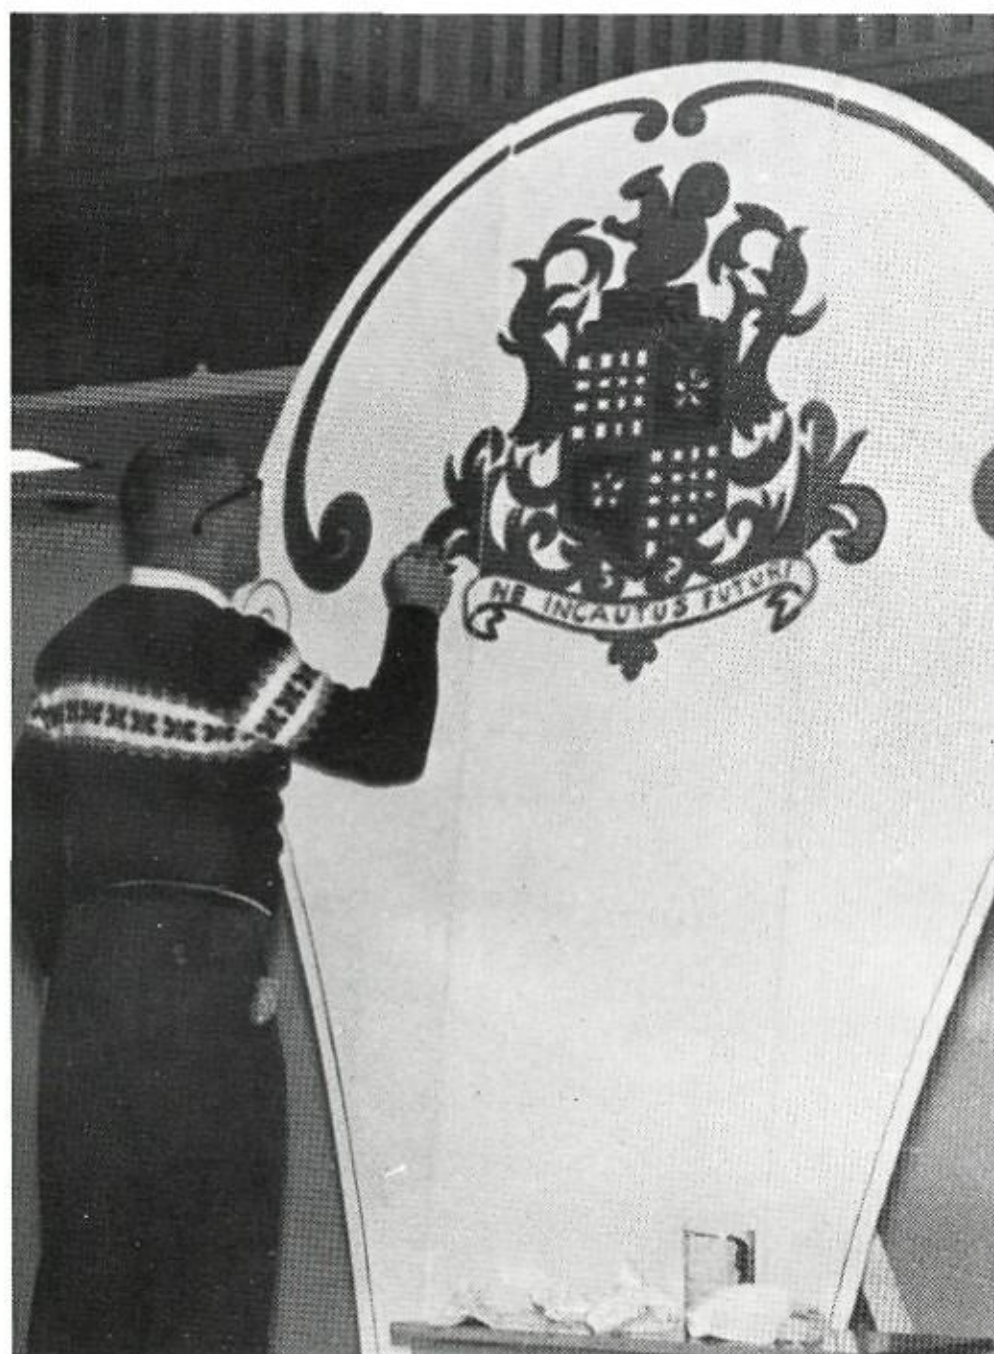

Senior Tony Dale displayed his showmanship in a version of the Rolling Stones.

or Stratford Ball

In a setting of Magnolias and Moonlight, the eighth annual Stratford Ball was held at the La Villita Assembly Hall. The ball, commemorating the birthday of Robert E. Lee, commenced with the Grand March introducing the Senior Superlatives and nominees for Queen and Duchesses.

Seniors, Juniors and Sophomores danced to the music of Bobby Reynold's Combo in an atmosphere of elegance.

Highlight of the evening was the crowning of Betsy Stark as Queen and the announcement of Nora Sheehan and Barbie Thrift as the Duchesses of her court.

Dancing to the music of the combo, Jacquie Moore and Sandy Anderson enjoyed the ball.

Sports

The 1965 season will be remembered by the Alamo City for years to come. For the football team, it began back in January after last year's disappointing 5-5 record, and stretched to the dream of every high school senior, the state play-off game.

It was not easily accomplished by any standards. The team had to rise above discouraging ratings

which had put them in the lower half of the district and state. For the players this meant seemingly endless hours of study, practice, and more practice. For the coaches it meant evenings away from home and weekends spent in careful planning of game strategy. But for those of us who watched it unfold, it was a season which may never be equaled at Lee again.

Vols Break Unicorns 42-0

Fabish snares a Magee pass.

It was Lee all the way as the powerful Vols soundly trounced the Unicorns in the season opener at New Braunfels.

Lee, wasting no time in drawing first blood, scored with the game only two minutes old. Quarterback Bob Magee climaxed a Volunteer drive which included a 75 yard scamper by tailback Pat Sheehan. A try for the extra points failed.

Sheehan scored the second Lee T.D. as he ripped 30 yards to pay dirt. Jimmy Fabish ran over for the two points to make the score 14-0.

In the second quarter as fullback Gary Messer scored from the five and Danny Boone broke loose for a 39 yard touchdown. Billy Gibson ran the PAT after the first score.

In the 3rd quarter, fullback Bruce Kempf streaked 39 yds. for another Vol score.

In the 4th period, Sheehan romped eight yards home to make it 40-0. Gibson made the two points.

Lee Smothers Seguin

Looking rather like a track meet instead of a football game, the contest between the Vols and the Matadors ended in a record breaking rout of 72-0. The previous scoring record was set in 1963 when Lee beat Corpus Christi Carroll 65-6.

Tailback Pat Sheehan was the one to shine as he sprinted for touchdowns of two, 25, 31, and 78 yards.

He was joined by fullback Bruce Kempf as the powerful Volunteer back pounded the Seguin line for two touchdowns and averaged better than 12 yards per carry.

Scott Carnal also scored two touchdowns on runs of six and 21 yards, and Gary Messer rammed one across from the three yard line.

Next in the touchdown parade was the team of Zane Shulenburger to end, Bob Burnside on an aerial that produced another six points.

Tackle Jerry Townsend booted two extra points, and Jimmy Fabish scored two on a Magee pass, and Roy Simpson gathered in a toss from Zane to add to the night's scoring.

The Vol defense, headed by Glenn Graef and Bill Viner, allowed Seguin only 19 yards rushing.

Vols Grab Tigers by Tail

With a flourish of scoring coupled with heads-up defensive play, the Vols defeated the hapless Carroll Tigers 43-0.

Beginning to jell, Lee's offensive attack showed marked improvements in teamwork and precision.

In the first quarter, tailback Pat Sheehan dominated the scoring on runs of 3 and 24 yards. Billy Gibson added one of the PAT attempts.

Quarterback Bob Magee scored in the second quarter on a keeper from seven yards out, and even the alert Vol defense got into the act as a team of Gerald Bowles, Gary Messer, and Doug Conrey buried the Carroll quarterback in the endzone for a safety.

Early in the second half, Magee scored again on a sparkling keep which netted 49 yards. A pass for the conversion failed.

Then fullback Bruce Kempf provided thrills for all on a jarring 38 yard scamper good for another T.D. Wingback Tony Jones rammed the ball across for the two points.

With 38 seconds remaining, the Vols struck again as Billy Gibson passed to End Roy Simpson for 6 points and then converted on a roll-out.

The alert Vol defense closes in on a Texan back.

Sailing thru a sea of mud in a soggy Corpus Christi, the Vols struck again as the red wave from Lee drowned the Ray Texans, 56-0.

Lee did not score until they were 8 minutes deep into the first quarter. Then it was Sheehan who went for 70 yards up the sideline with Gibson kicking the extra point.

On a fumble recovery by James Stayton, Lee scored in five plays as Bruce Kempf plowed over from the one and Gibson converted again.

It was Sheehan again as he went for a 55 yard tally, and later sprinted for his longest T.D. of 77 yards.

In the 2nd half Bruce Kempf went on a scoring binge as he rounded across two T.D.'s, one from the 11 and one from 13 yards out. Gibson kicked the PAT after the last score.

In the 4th quarter, Wingback Tony Jones went to work and hauled in a 27 yard pass for a T.D. and then ran his own conversion. Then Gibson passed to agile end, John Douglass for the final tally and kicked his 4th extra point of the night.

Exhibiting a defense which once again kept the opponent scoreless, the Vols racked up 27 points to mash the Austin Maroons in another Friday night contest.

Playing in its really tough ballgame of the season, the Volunteers showed their stuff as Kempf and Sheehan shared the scoring spotlight.

The speedy Sheehan scored twice in the first quarter, on runs of eight and 64 yards, but the Austin team did not quit. Lee's superb defense line play stopped an Austin drive on the Lee five, and Bob Magee surprised the Austin team with his speed, sprinting 38 yards on a keeper to set up the T.D. Bruce Kempf plowed over from the one for the tally, leaving the score 14-0 at the half.

In the second half, it was Tony Jones and Bruce Kempf who stood out as they both intercepted two passes to foil the hopes for an Austin comeback. Billy Gibson and Danny Parish also picked off Austin passes.

Lee's final tally came as Sheehan broke through the Austin line and went racing overland for 65 yards. The conversion attempt failed.

With the help of Tony Jones, Bruce Kempf breaks loose for long yardage.

Edison Falls in District Opener

With the rugged Vol defense shining, the red wave soundly thumped the Golden Bears 29-0 in a contest filled with thrills.

Volunteer tailback Pat Sheehan wowed the fans at Alamo Stadium as on the third play from scrimmage, he took a pitch out from Billy Gibson and went streaking down the sideline for a 73 yard touchdown.

Later on in the first quarter, the Vols started from their 36 and grounded out a scoring drive with Sheehan making the tally on a 6 yard power play.

In the second half, the Lee defense was superb as they held Edison to a total rushing offense of 23 yards. Linebacker Glen Graef and interior lineman Jerry Townsend were defensive standouts.

In the third period, Sheehan ripped off another long T. D. as he rode the power sweep for 75 yards. End David Butler bagged a pass for the 2 point conversion.

Lee's final score was contributed by Bruce Kempf as the brawny fullback made the best run of the night. Roaring through three would-be-tacklers he was hit again and appeared to be down when he regained his balance and streaked in for the T. D. Butler snagged another Gibson pass for the conversion.

Highlands Bites the Dust

Fabish snares a pass for a first down.

Before a sell-out crowd in Blossom Stadium, the Vols rallied to whip the Owls in a thrilling, 24-14 contest.

Lee grabbed a good lead after 10 minutes of play with Kempf going over from the five. The next T.D. was strictly razzle-dazzle when End Bob Burnside took a pass from Billy Gibson and lateraled to Sheehan who went tearing down the sideline for a 29 yard score.

Highlands came back with an aerial attack that netted 14 points and the stage was set for a tough come-back for Lee.

The red wave crawled up and drove for 74 yards in the 3rd quarter to score the winning touchdown with Kempf bulling over the goal line.

Highlands, in an attempt to come back, had a long shot pass picked off by Sheehan who returned it 18 yards to set up the final tally. This time the speedy tailback rode the power sweep for 23 yards to score. All of the extra point attempts failed.

Vols Triumph in Squeaker Over Jeff

In perhaps the most thrilling game of the season, Lee edged out Jeff in a 12-7 squeaker, again as in past games, it was Lee's fine defense that figured heavily in the games outcome.

Lee gained an early lead in the first quarter as Pat Sheehan cranked up and led a drive to the Jeff five yard line. He scored on his fourth carry, but the conversion attempts failed.

Bill Viner recovered a Jeff fumble on Lee's 42 yard line to set up the final touchdown. This time Bruce Kempf did the honors on a short plunge from the three yard line. A try for two points failed again. Then Jeff came alive and scored seven points, and the score stood 12-7 at the half.

The second half was strictly defense. The play sawed for a while until Jeff recovered a fumble and drove to the Vol's one foot line. There Jeff stopped, as the Lee defense crushed them on four straight plays. Taking possession of the ball, Lee drove out of danger and was forced to punt. Then linebacker Gien Graef intercepted a Jeff pass to snuff out their hopes for a comeback.

Graef, Jerry Townsend, and Mike Tighe were stand-outs on the defensive team which held Jeff to 56 yards rushing.

Fullback Gary Messer sweeps left end for a long gainer against Heights.

"I've seen this game before," chuckled a happy Vol booster during the Heights game, and that's pretty much the way it went, as Lee went on to their fourth straight district win rolling over the Mules of Alamo Heights 35-8.

The route started in the first quarter when Pat Sheehan sprinted 66 yards for the first touchdown with Billy Gibson booting the point.

On the next possession, Sheehan scored again on a quick run up the middle, for 69 yards, with quarterback Magee making the two extra points on a faked kick. Alamo Heights came back with a quick eight points, and then the Vols went to work again as end Jimmy Fabish snared a Magee pass from 20 yards out, and streaked in to make it 21-8 at the half.

The Mules were forced to punt in the third period and again it was Sheehan who returned the punt 49 yards for the third Vol score. Sheehan took the ball from end Bob Burnside and sailed into the end-zone for the final touchdown to crush the Mules.

Before almost 13,000 fans in jam-packed Blossom stadium, the fighting Vols gained the all important district crown by virtue of a tie with Mac's fired-up Brahmas.

Midway in the first period, tailback Danny Boone recovered a fumble shaken loose from a Mac ball carrier on the Brahma 16. It took Lee two plays to capitalize on the recovery with Bruce Kemph making the final plunge for six and then adding the two point conversion to make the score 8-0.

That score remained until in the second half, Mac connected on a long scoring pass and a two point conversion to tie the score.

The Vols got their next score in the fourth period when Bruce Kemph climaxed a short Vol drive on a quick trip up the middle. The conversion was good but it did not seem to bother the Brahmas very much as they came back to tie the score in the failing moments of the fourth quarter on a recovered Vol fumble.

The stage was set for an upset when Lee baubled an onside kick attempt by the desperate Brahmas who gained possession of the ball and drove to the Lee 26 before giving it up on downs to a rugged Volunteer defense.

End David Butler, Tackle Jerry Townsend, Fullback Gary Messer, and Linebacker Glen Graef did an outstanding job for the defense which held Mac to a rushing total of 67 yards.

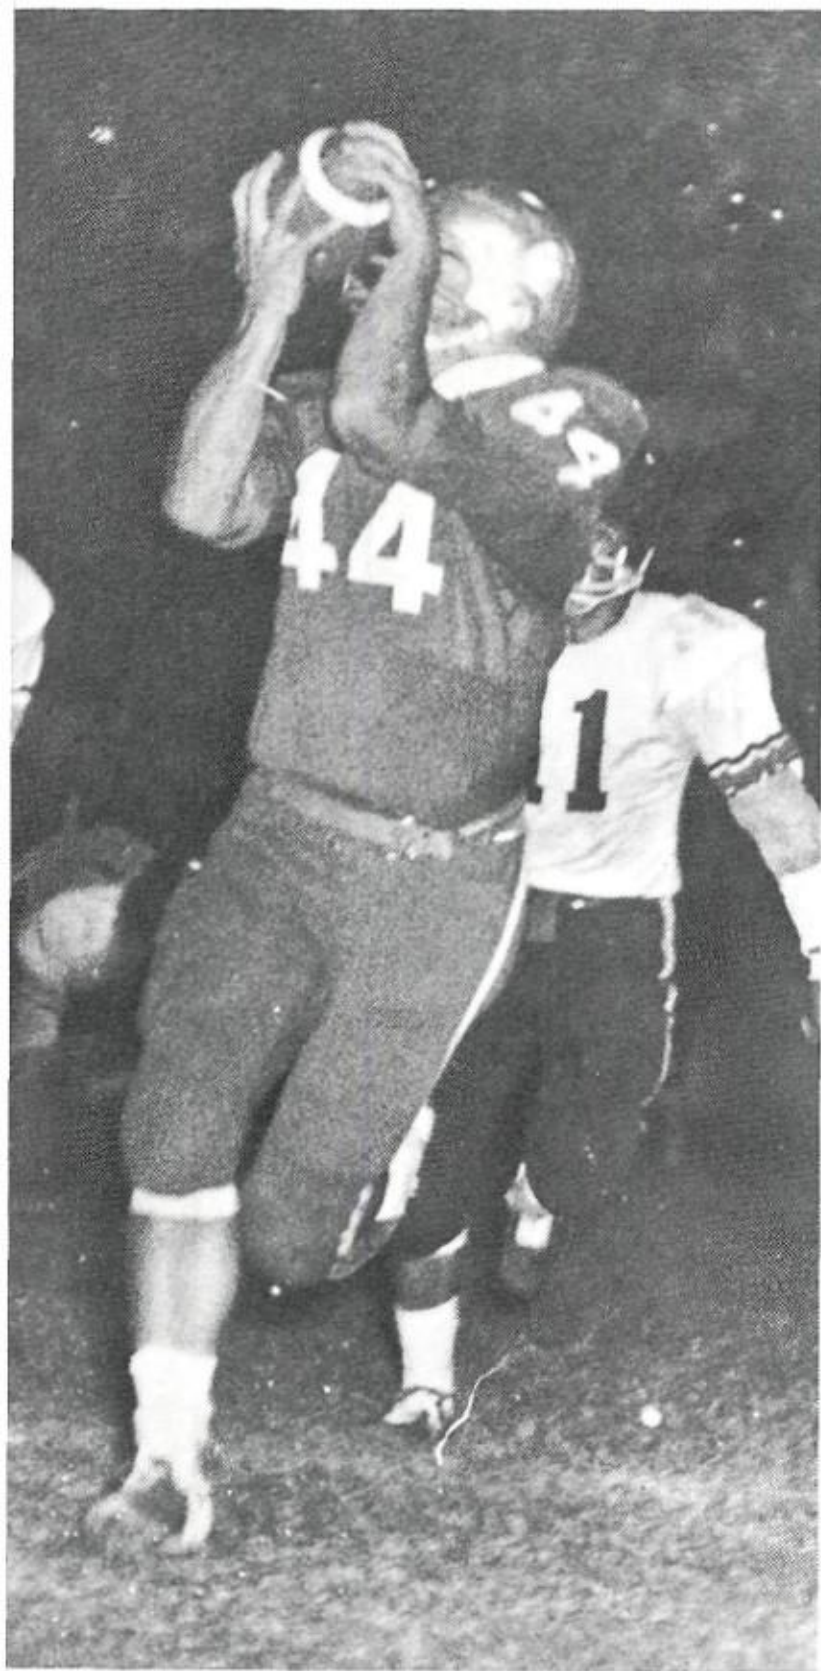

A Brahma finds himself about to be thrown for a loss by a host of hard-hitting Vols.

Vols Stun Indians, Head for Quarterfinals

The super-charged Vols sped to an easy victory to gain the bi-district crown in a fast moving game with the Harlandale Indians. Speed was the deciding factor in the game as Pat Sheehan led the scoring on runs of six, 66, and 68 yards. Bruce Kemph also racked up a tally as he took a 30 yard pass from Bob Magee and sprinted the final 20 yards for the score.

Lee's great defense again held fast as Harlandale was limited to 78 yards on the ground. Led by Glen Graef, Bill Viner, Jerry Townsend, and David Butler, they allowed the Indians only one T.D. on a blocked punt recovery.

Tigers Fight Hard, but Lee Triumphs

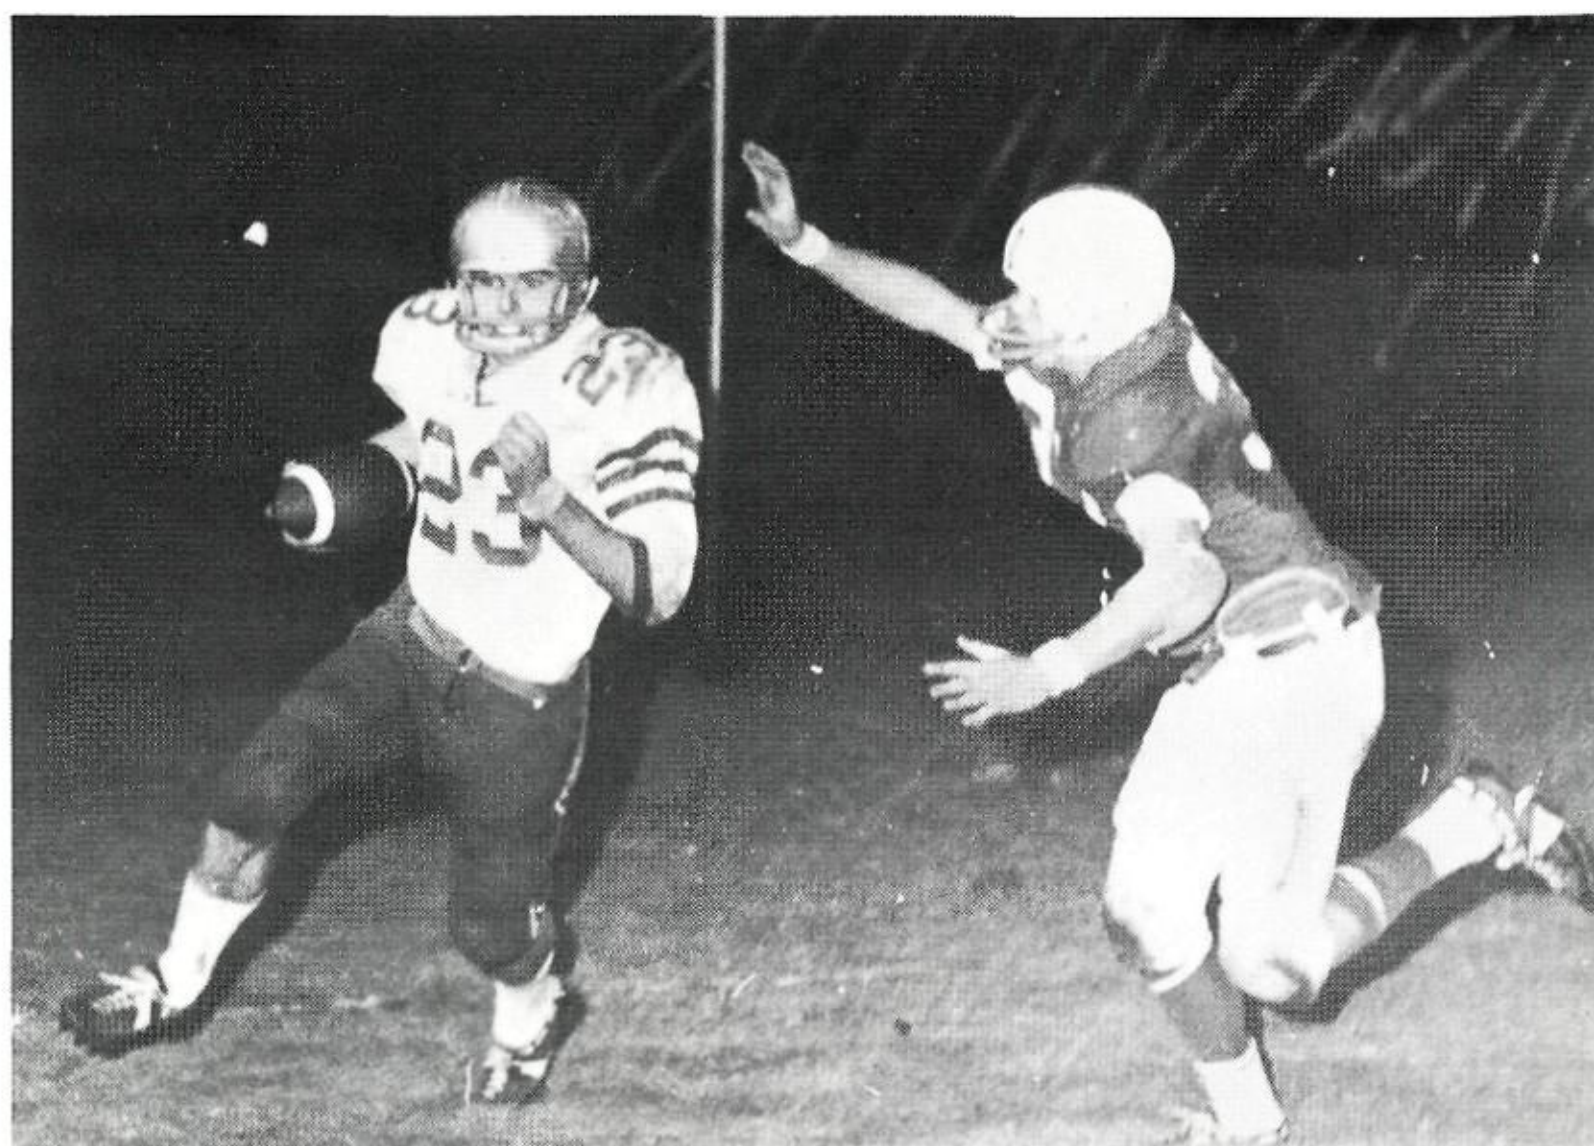

In a wild scoring duel from the very start, Lee came out on top as they whipped the Corsicana Tigers 26-21 in the quarterfinal round of the state playoffs.

Wingback Tony Jones picked off the first pass of the game and returned it for a 43 yard touchdown to start the scoring. The next thrilling scores were by Pat Sheehan, who sprinted for tallies of 61 and 27 yards.

Corsicana managed to hold its own in the scoring department but in the fourth quarter Bruce Kemmerer crashed over for the final score, and the game was won on ice.

Lee's excellent blocking was exhibited by Bruce Viner, David Butler, and Terry Keener. Billy Gibson also had quite an afternoon, as he returned a kickoff 37 yards and ran back an intercepted pass 27 yards to set up the third Lee score.

Exporters Sink Under Heavy Barrage

The Volunteers found the going tough as they came from behind in a hard-fought battle with Freeport to cop the Semi-final Championship in Austin 16-7.

Freeport drew first blood in the opening as they drove 79 yards through a determined Lee defense for their one T.D. of the day.

Lee quickly caught up as Phil Stanley picked up a Brazosport fumble on their 25 yard line, and the Vols drove on for the score with a broken pass play to the arms of End Jimmy Fabish. Bob Magee added 2 extra points on the next play.

The "insurance" touchdown came as the Vols took the ball on the 1 yard line and drove 99 yards to score with Kempf plowing over from the 6 yard line.

Bob Magee hands off to Bruce Kempf for a short gainer.

State Hopes Crushed

The Black Panthers from Odessa Permian scored on one touchdown and two safeties to defeat Lee 11-6 in the State AAAA Championship football game.

The rainsoaked condition of the San Angelo field forced both teams to cope with fumbles and poor ball handling. Throughout the game neither team could get an offensive drive started as two of the finest defensive teams in the state continually crushed the ball carrier.

At the halftime break, the score was 4-0, but quickly shot up to 11-0 before fullback Brian Kempf drove over from the 6 for Lee's lone touchdown, and last the scoring of the game.

Lee found its momentum picking up as it started the last drive from the Lee 6, but time was not in favor of the Vols, and the gun sounded as the ball was at midfield.

Gary Messer finds heavy resistance is costly.

THE YEAR 1966 HAS BEEN ONE OF THE MOST SUCCESSFUL BASKETBALL years in the history of Lee High School. Our Volunteers advanced all the way to State Quarter-finals. Most of the credit can be given to Mr. Bobby Roberts, head basketball coach. He is well liked by his players, but is by no means termed an easy coach. Roberts has coached the South All-Stars to victory for two years in the High School All-star Game. Mr. Roberts is considered one of the better basketball coaches in Texas and Lee is lucky to have him as head basketball coach.

Agers Dominate District Play

With our victory over MacArthur we went in to Bi-District to play McCollum of District 16AAAA. The Volunteers took this game by the runaway score of 61-44.

With this victory we earned the right to meet Austin McCallum in the quarter-finals. Our season ended with a 44-35 loss to McCallum.

Baseball is one of the world's truly great sports. It combines speed, strength, keen vision, precise timing, and the desire to win.

For the past six years, Coach Tom Jungman's teams have never won anything less than district crowns and have traveled to numerous state tournaments. Yet he and his teams still work without recognition, perform before minute crowds, . . . and win.

Charlie Walker . . .

Heading the Lee speech and drama department for the past eight years has been the job of lighthearted Mr. Charlie Walker. A graduate of Louisiana Polytechnic and Trinity University, Mr. Walker has coached Lee's fine arts department which has brought numerous honors and awards to the "Honor of Champions."

Mr. Walker directed the world stage premiere "Blackboard", Lee's '65 fall production. His production of the play surpassed all expectations, and he has many of his interscholastic league entries, four of which have claimed first-place honors in the last seven contests.

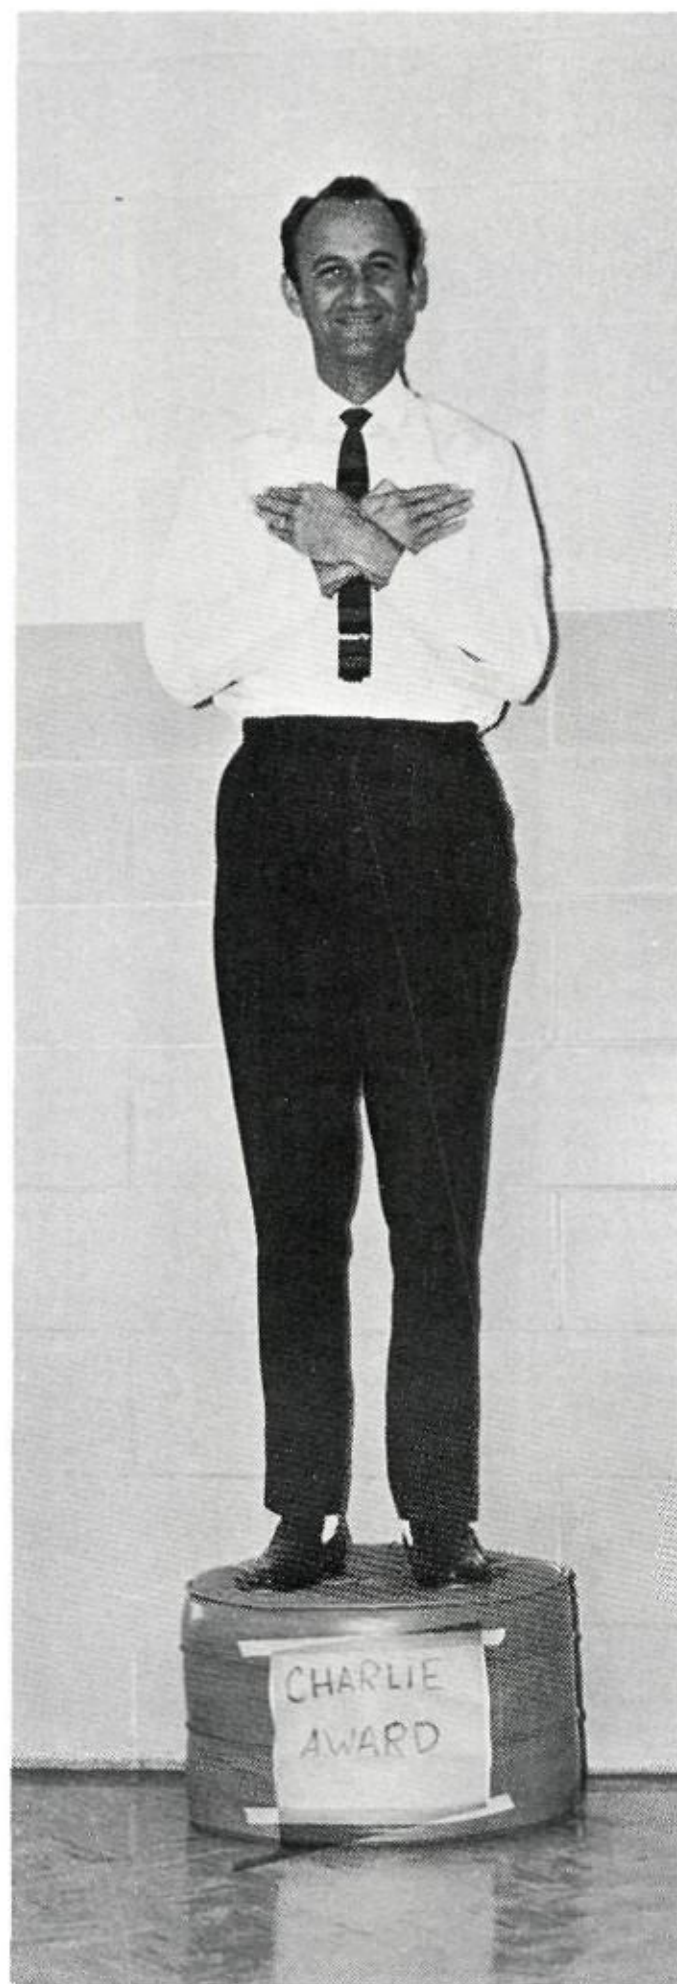

Besides his directing ability, Mr. Walker has coached the speech department to sweepstakes at speech festivals throughout the state and is sponsor of the National Forensic League.

With his witty remarks, gay eyes, and yet determination to fulfill the needs of his hungry speech and drama disciples, Lee's Charlie Walker has proven that even lengthy rehearsals can be enjoyable and educational.

It is because of these qualities--"because of ingenuity and creative mind," that all Mr. Charlie Walker's undertakings have been successful and rewarding.

ersatile, Vigilant, Versed

A dedicated teacher (Rick Madden) tries to lecture to disinterested and smart-alecky students (Johnny Gross and Larry Safir).

Hoodlums Johnny Gross, Bob Wade, Ron Knippa, Mike Redding and Lane Patton wait to assault Mr. Dadier as their means of revenge.

Solly Klein (Bob Geissler) expresses the emotions of all teachers who hopelessly struggle with delinquents.

THE BLACKBOARD JUNGLE

"Blackboard Jungle" Premieres at Lee

Realizing the danger, Mr. Dadier (Rick Madden) attempts to seize the knife from Artie West (Lane Patton) in the presence of Morris Abrams and George Belazi (Donald Bankler and Johnny Gross).

Mr. Dadier (Rick Madden) and his wife (Debbie Prothero) discuss critical situations at the Vocational High School.

"The Blackboard Jungle", Thespian's fall production, made its world stage premier at Lee.

A tense and contemporary drama, it centers around a dedicated young teacher assigned to a vocational high school in New York.

He attempts to arouse some sparks of decency in the young hoodlums in his English class. Refusing to be intimidated by their threats and violence, he works intelligently and patiently in an effort to instill in them a sense of responsibility.

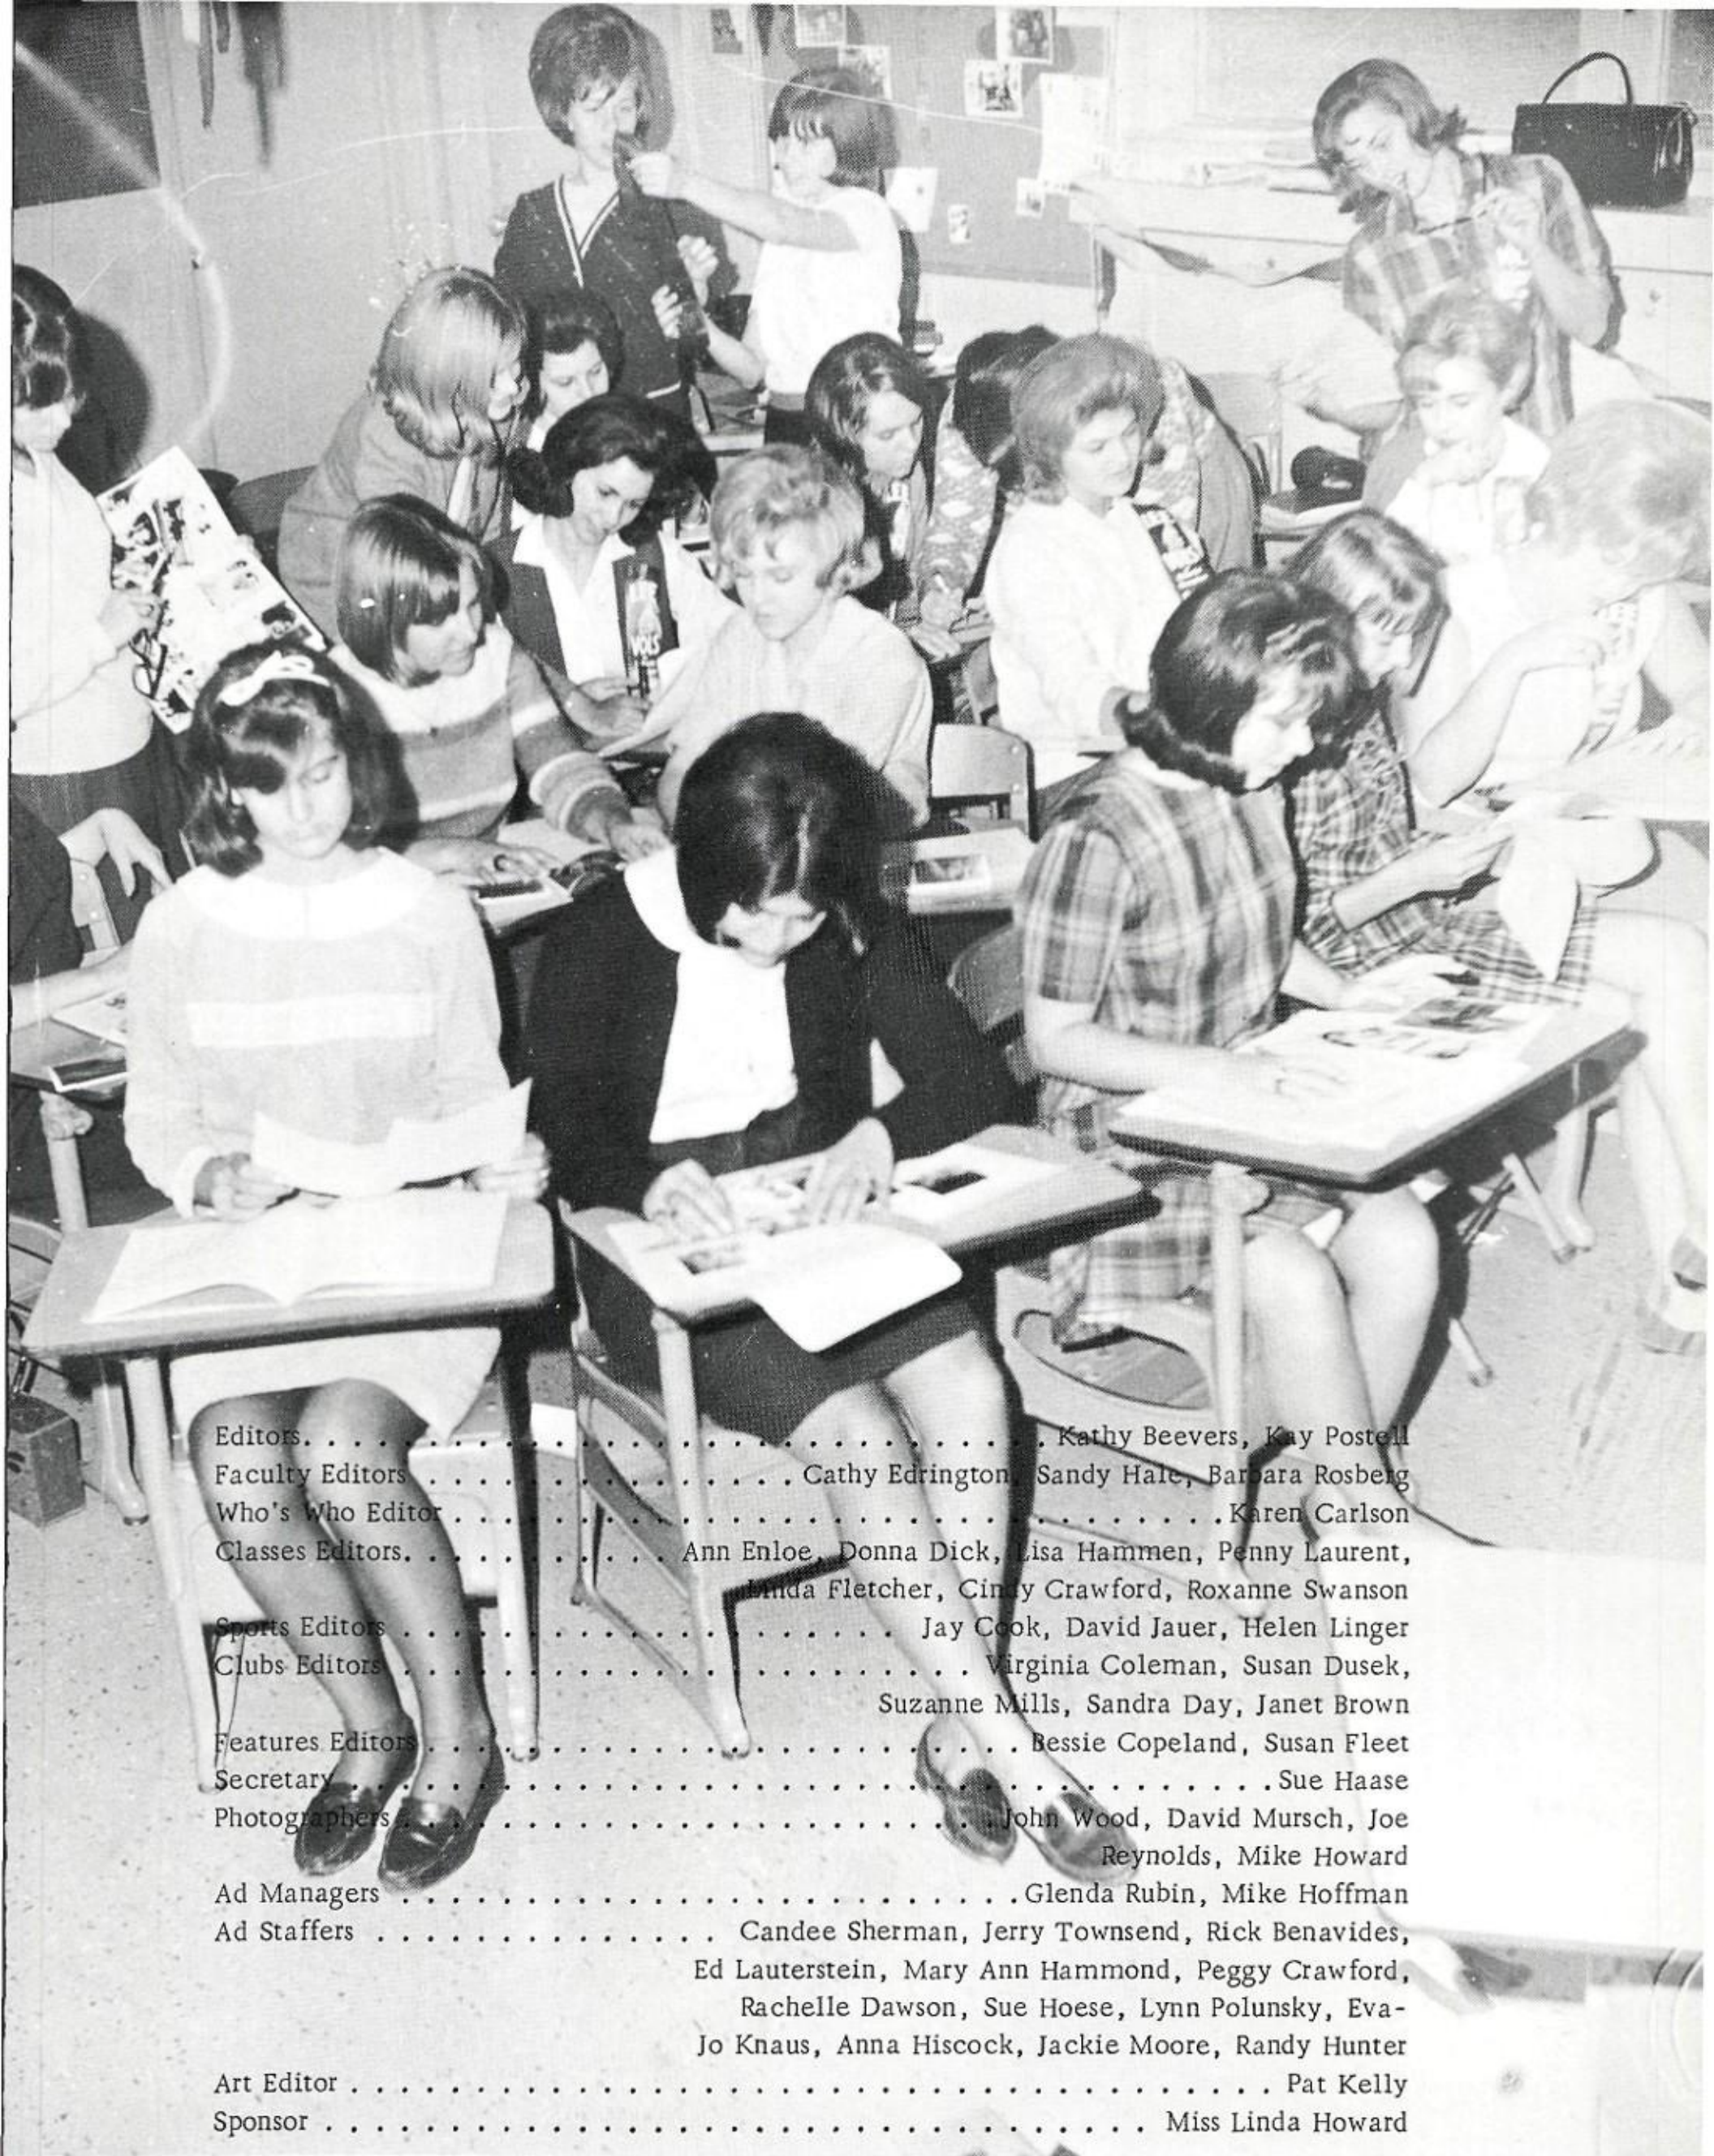

Evan Hunter's best seller novel was revised and updated by C. B. Gilford and Elizabeth Gibson for the stage.

1966 Traveler Staff

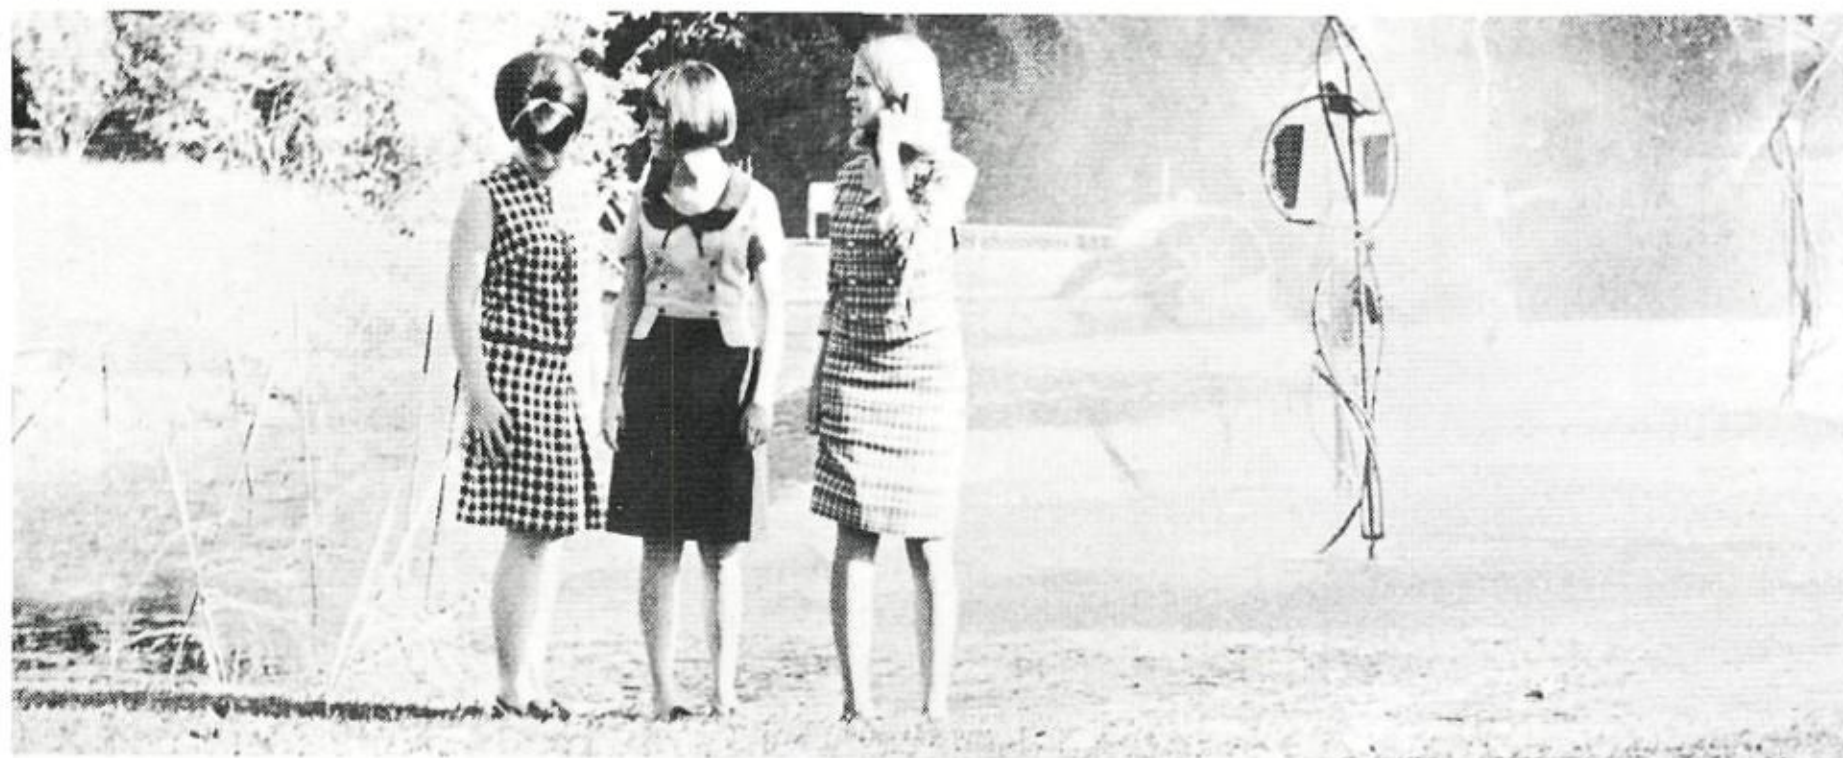

Co-Editors Kathy Beevers and Kay Postell admit that at times they would like to slit Miss Linda Howard's throat.

Where the action is?...Layouts...Copy ... Cropping pictures... Late deadlines hustling to the post office to meet the afternoon postman...and mass hysteria when you find out you just sent in a girls picture with a boys name under it...then the mad dash to catch the mailman before he leaves and beg him to give you your parcel back...

Finally the pages are in and ready. Then comes the day of reward--the annuals have arrived. But the times of confusion are still not over for the TRAVELER has to be issued to the eager students of R. E. Lee High School.

This is where the action is--the annual staff of 1965-66.

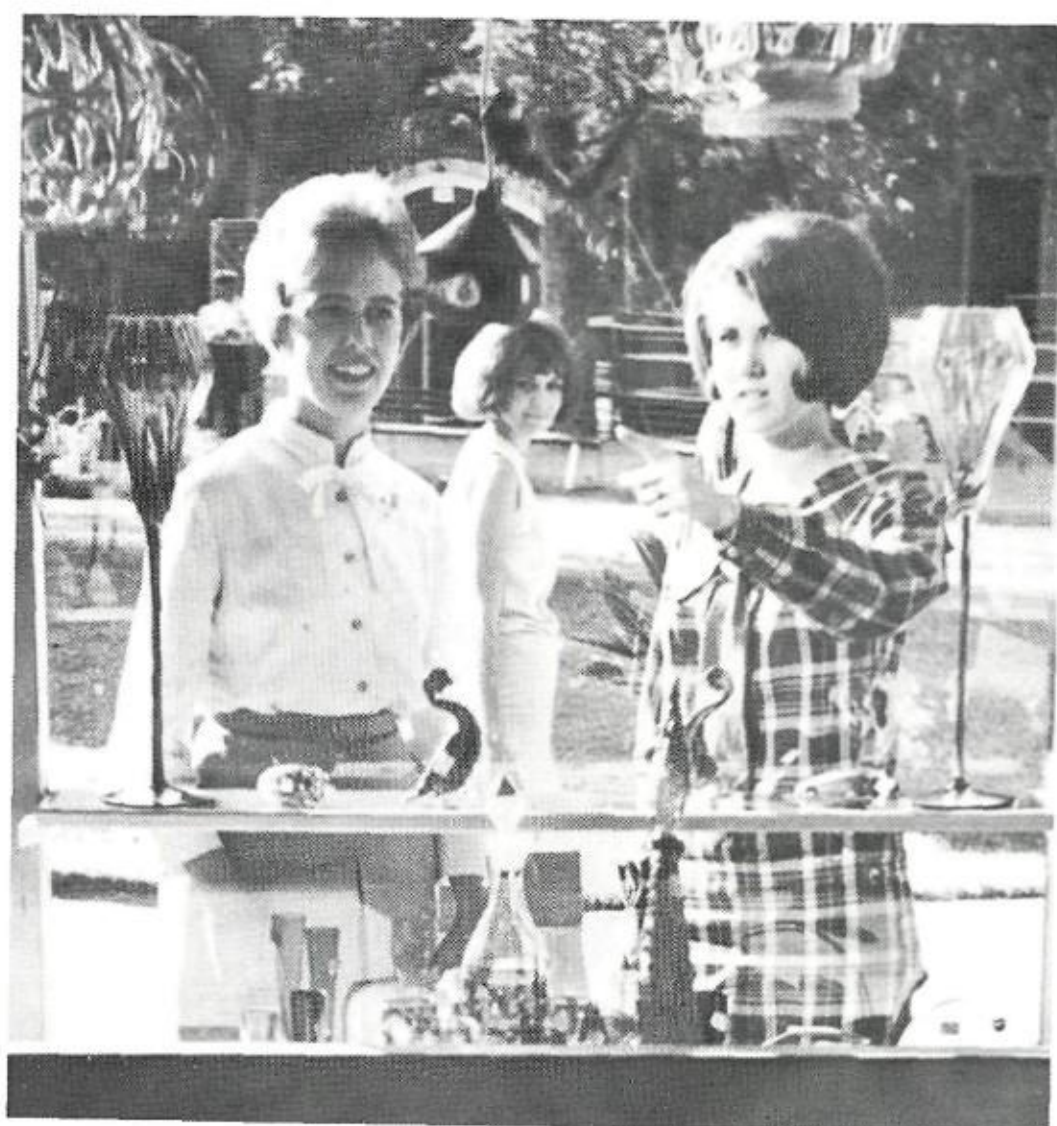

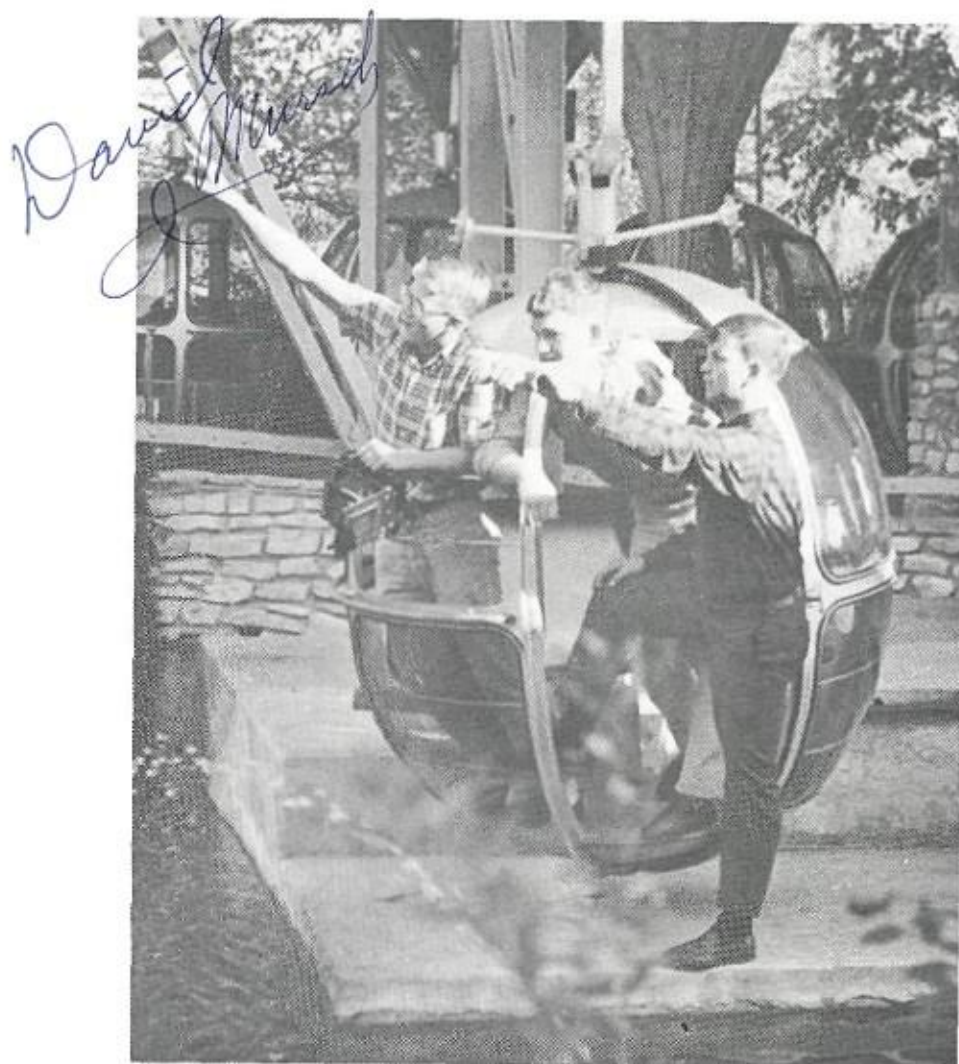

Who's Who and Feature Editors Bessy Copeland, Susie Fleet and Karen Carlson admire the beautiful features of Aquarena.

Mrs. Nancy Cooper talks with one of the mothers at the Mother-Daughter Tea.

The year 1965-66 was a year of changes and new traditions for the Opti-Misses. Based on co-operation, example, and time-devotion to the club, Linda Cleveland was the first to be chosen as Opti-Miss of the Year. Also the new money-making car wash made its debut at Lee with Opti-Misses earning funds for their service projects.

The Opti-Misses feature a service project for each month. This year's activities included a Halloween and Easter party for Boysville, making Christmas stockings for the Robert B. Green Children's Ward, a Valentine's party for the Lee staff's children, a visit to Children's Homes, and an Installation Banquet in May.

Mr. Sellers directs the choir in preparation for one of their many contests.

Lillian Schievelbein, reporter; Janie Scott, president; Peggy Connor, secretary; Ben Greenfield, sergeant at arms; and Pam Robinson, vice president; still find something to smile about after the long hours of rehearsal.

The A Capella Choir under the direction of Mr. Reid Sellers raised their voices as never before this year at Lee. Long hours of practice, hurried rehearsals, and concerts soon became routine in the world of the seventy-two members.

However, it all seems worthwhile as the choir boasts two all state finalists, Wally Rodgers and Vickie Davies, with eight representatives in the Regional Choir.

As in previous years the choir caroled at the National Bank of Commerce, Joske's, and North Star Mall during the Yule-time season.

Assisting Mr. Sellers this year are President Janie Scott, Vice President Pam Robinson, Secretary Peggy Connor, Reporter Lillian Schievelbein, and Sergeant at Arms Ben Greenfield.

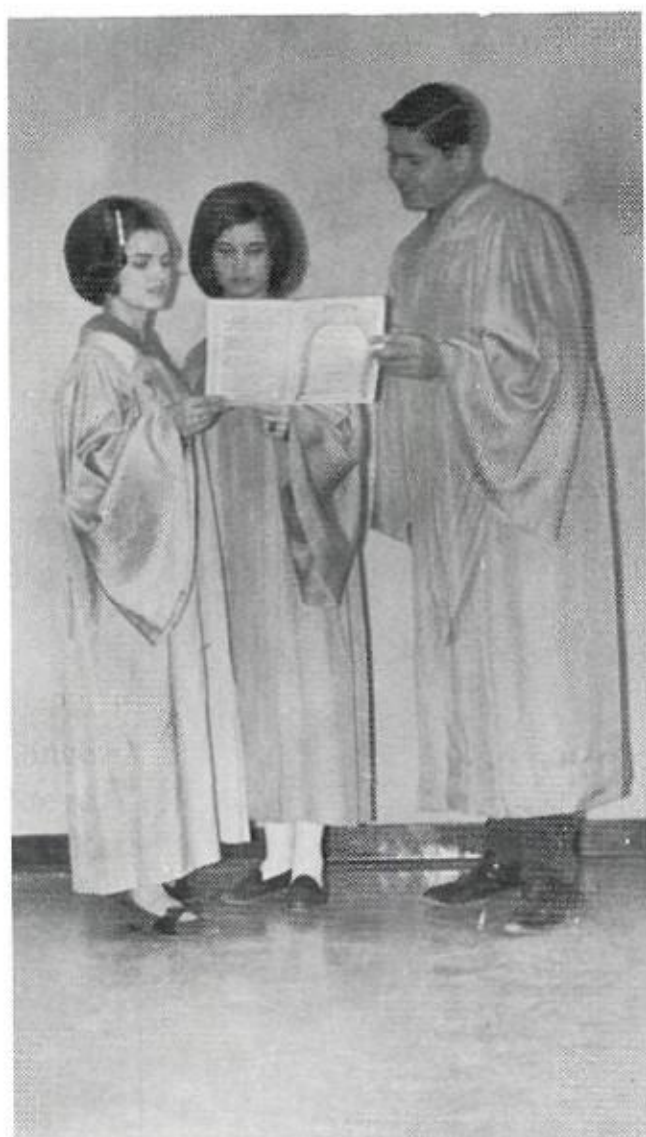

Regional Choir members Jack Anderson, Martha Clary, Jim Walker, Finis Fator, and Nancy Riddell, gather for an impromptu practice session before state tryouts.

The spirit of competition, preparation of speech material, and the excitement of speech tournaments make up the world of the National Forensic League. Under the enlightening eye of Mr. Charlie Walker, NFL members find that the long hours of preparations pay off as the trophies are brought home.

Lee's NFL took first place among twenty high schools in the Highlands Speech Tournament. Sixteen of its members participated in the Baylor University Speech Tourney in Waco, while the highlight of the contest year was the Trinity Speech Festival.

Leading the members in activities are officers Paula Garver, president; Rick Madden, vice president; Andrea Arnold, secretary; and Jim Edwards, treasurer.

NFL members prepare to leave for the Baylor Speech Tournament.

Paula Garver and Andrea Arnold rejoice when remembering the hard work that was put behind their debate trophy.

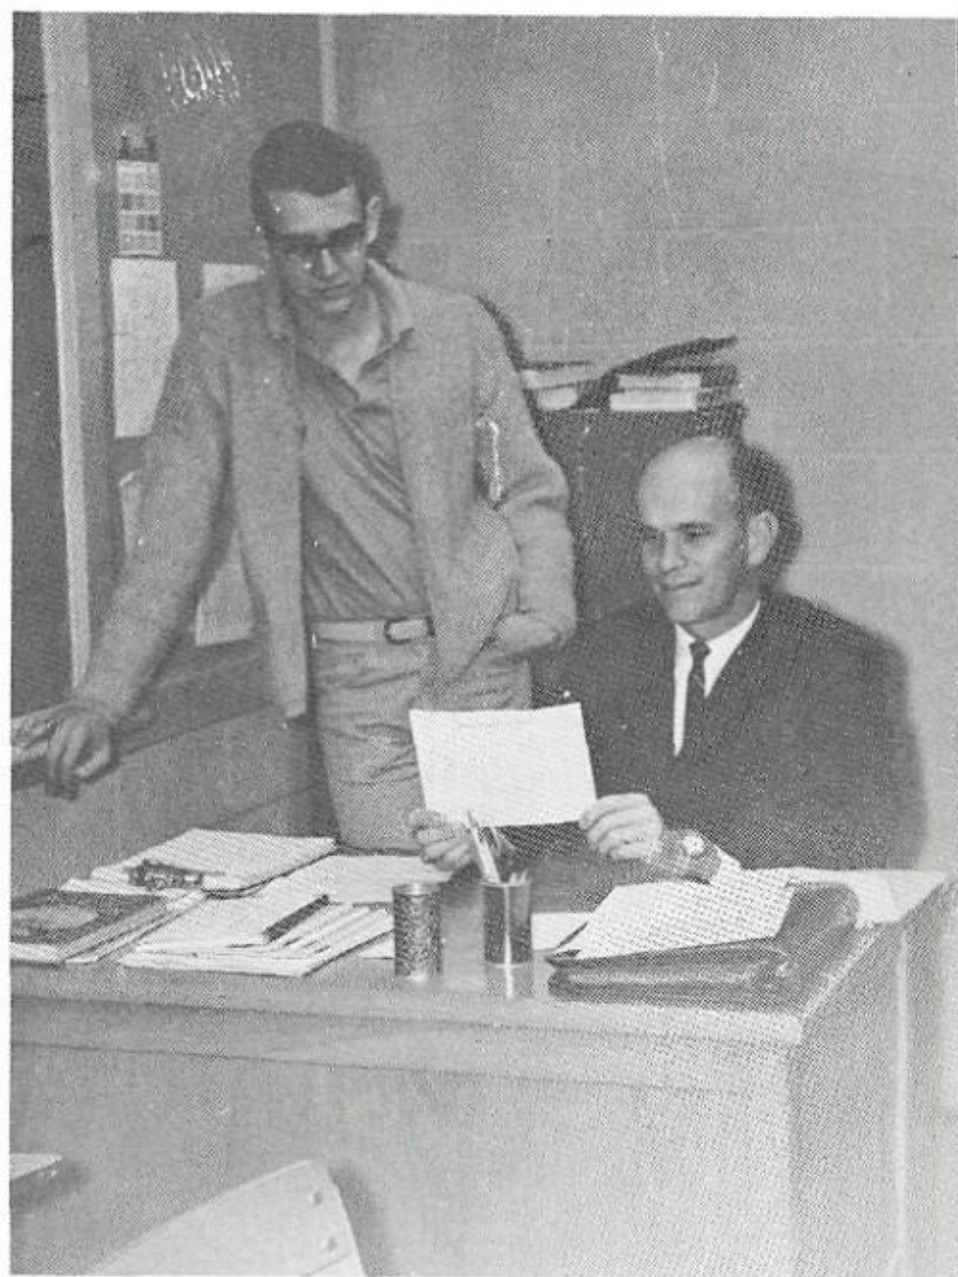

Marlyn Halpern and Sherri Stevens rehearse for a duet-acting contest.

Octagon Group Organizes at Lee

The Octagon club for boys was formed at Lee this year by a local Castle Hills Optimist Club.

The Club helps develop the boys in leadership, sports, interests, and respect for others.

Claude Crane is president of the Club and Mr. Charles Horn is sponsor.

President Claude Crane talks over future plans with Mr. Charles Horn.

Members of the Octagon Club outline the rules of their club.

Spanish Club Studies Spain, Customs

The main purpose of the Spanish Club, a special interest club, is to learn more about the customs, art and literature of the Spanish speaking countries.

This year's activities centered around taking Christmas presents to orphans at the Mission Home, sponsoring cake sales in order to raise money to donate to the Foreign Student Fund, visiting the Witte Museum, presenting special speakers and giving a banquet in honor of members and outstanding member of the year.

Under the leadership of Dinah Denson, president; Patti Wolf, vice president; Pat Kelly, secretary; and Martha Cleary, treasurer; the Spanish Club has promoted Spanish culture around the campus.

Pat Kelly reads the minutes of the previous Spanish Club meeting.

Dinah Denson, president, Patti Wolf, vice president, Pat Kelly, secretary, and Beth French, chaplain, inspect an authentic Spanish sarapa.

FHA Prepares for Home Careers

Yule-Tide spirit is brought to Lee when FHA beaux enthusiastically decorate the club's Christmas tree in the main hall.

The purpose of the Future Homemakers of America is to promote the arts of cooking, sewing, cleaning, keeping a household budget, and thus prepare the teenage girl for a career in the home.

The highlights of the FHA year were the annual Mother-Daughter banquet, election of beaux and officers, and the state convention.

FHA officers are Linda Pruiett, president; Susie Vermersch, Ginger Majors, Cynthia Bynum, Sandy Hewett, Shari McGarr, vice-presidents; Patti Cole, corresponding secretary; Sharyn Uecker, treasurer; Donna Dick, historian; and Marcia Rives, chaplain.

Linda Pruiett and sponsors Mrs. Pearson and Miss Dum are delighted with the silver tea service purchased by the FHA.

Guest Speaker Sonny Davis and Cynthia Bynum, vice president, discuss certain points brought out in his speech.

Donna Dick and Sharyn Uecker spend their afternoons making candle holders as a FHA project.

Janet Kinder, Marcia Rives, and Ginger Majors make decorations for the Mother-Daughter Banquet.

Mr. Luther Hartman, vice principal, is presented with a pin and honorary membership in FHA by his wife.

DECA Earns

Rogar Van Houten, president, and Pam Gentle, vice president, talk over and plan the coming events for DECA.

DECA officers discuss the coming Area Meet with chapter sponsor Mr. Boyde Vaughn.

and Learns

Bob Ochoa and John Redding work together at Handy-Andy during the afternoon.

Learning, and at the same time earning, members of Distributive Education Clubs of America share the responsibility of attending school part-time while working in the afternoon.

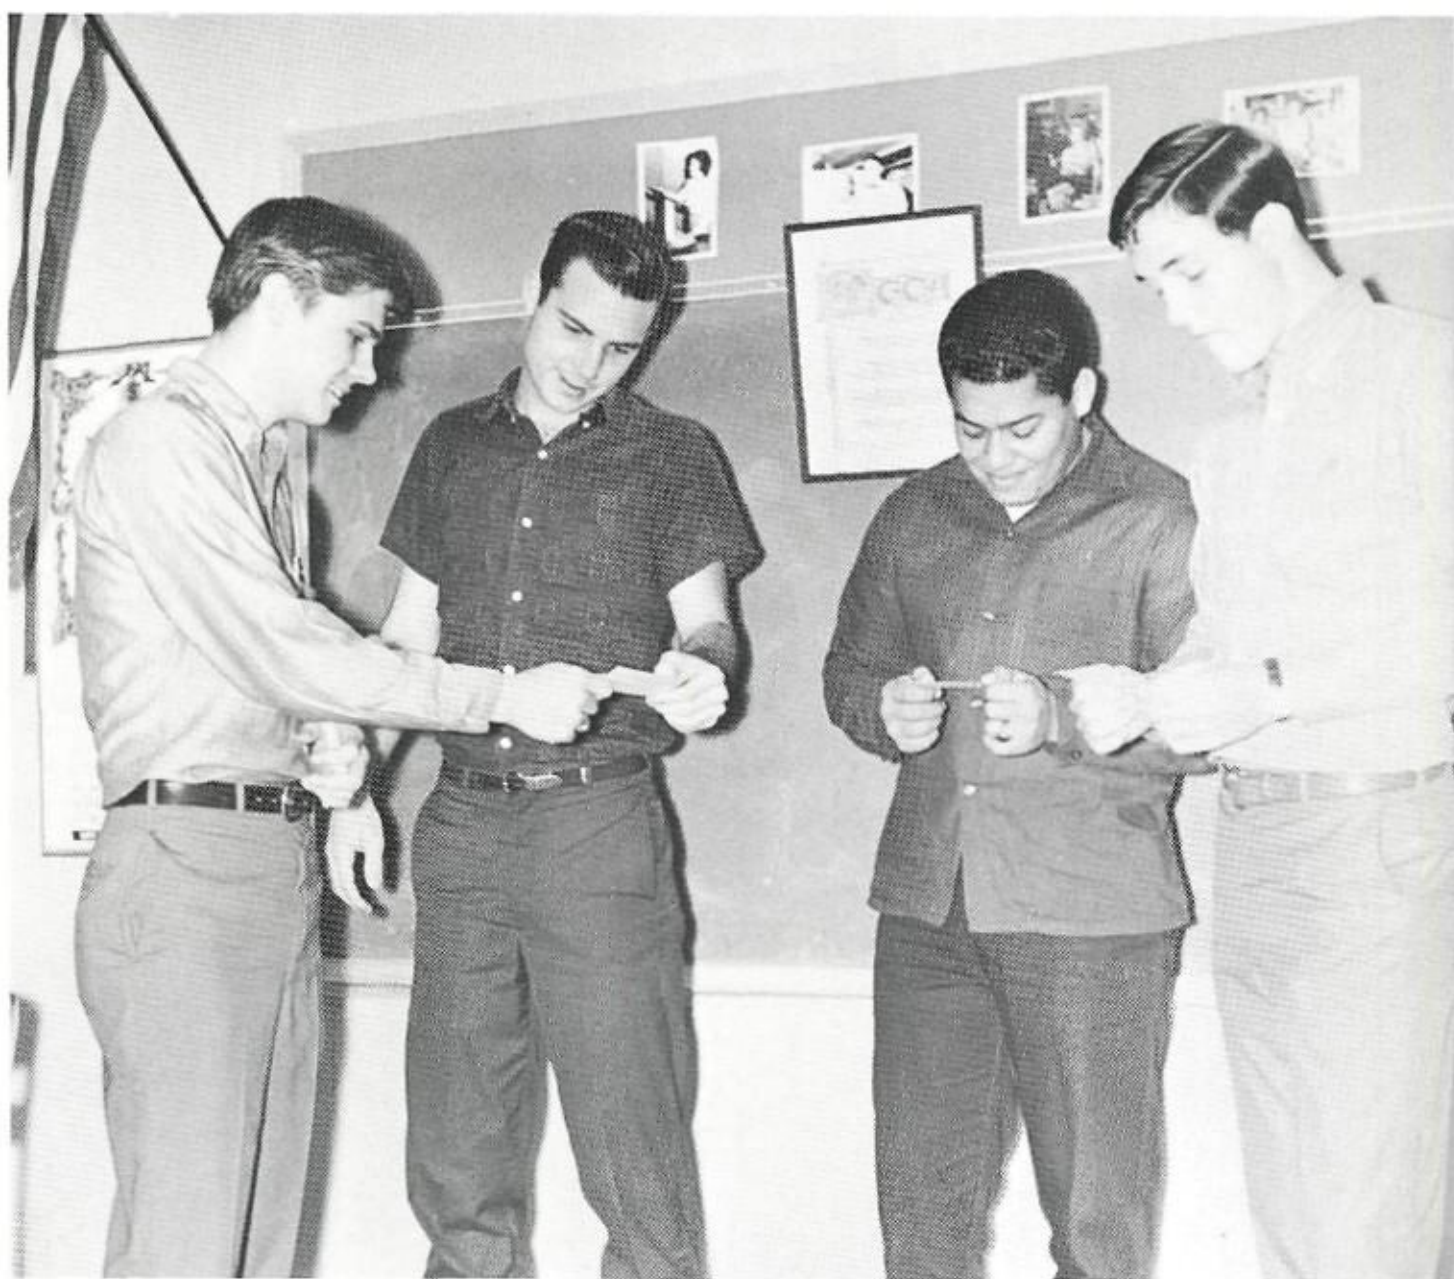

DECA has many new members this year. The organization is a community project between the local merchants and nearby high schools. The cooperation of these two groups makes it possible for students to earn and learn at the same time.

Mr. George Lowther and Mr. Boyd Vaughn work together devising students' school and working schedules. Students take their DECA training as serious, significant instruction for future employment.

Frank Fernandez stocks the shelves daily and after several weeks he has learned where everything goes.

Richard Stagg, Floyd Smith, Santos Banda, and Mike Stanley plan the ticket sale for the city DECA banquet held March 8.

DECA Minor Officers Mary Ann Nailbach, Kathy Wagner, John Rascoe and Shannon Bullard pause for a refresher before a club meeting, while President Richard Stagg and Vice President Mike Hernandez join Sponsor George Lowther to lead group discussion.

DECA Learns Salesmanship

Bobby Harper learns sales techniques while working in the shoe department at Joske's of Texas.

During DECA's money making project, Pam Gentle sold many cartons of candy to contribute to the club funds.

The guest speaker, Mr. Wayne Barry, outlines salesmanship during installation ceremonies.

Conventions, DECA Day Highlight Year

Mayor Protem Gatti signs the Distributive Education Declaration that declares DECA Day in San Antonio.

DECA members Mike Hernandez, Bob Fletcher, Nancy Fuller, Larry Graves, and Donna Taylor discuss the possibilities for officers to the state convention.

Neal Rensmeyer displays the award-winning style that won him a first place in Public Speaking at the first area DECA convention.

Germans Capture Dutch Culture

Lee's German Club is made up of students who take or who have taken German some time during their high school years.

An added interest to the Club this year was Auke Kroondijk, Lee's foreign student who speaks the German language fluently.

This year's German club officers are Sonja Bystron, president, Sandra Robinson, vice-president and Roxanne Swanson, secretary.

The German Club is sponsored by Miss Sue Worden and Mrs. Lu Ellen Grossman.

Roxanne Swanson, secretary takes minutes at a meeting while Sonja Bystron, president, and Sandra Robinson, vice-president, discuss their flag selling project.

German Club members enjoy the annual banquet festivities at Edelweiss' German Restaurant.

Minor officers David Mursh, Barbara Queen, Gary Reamey and Eva Williamson meet with their sponsors, Miss Sue Worden and Mrs. Lu Ellen Grossman to discuss the forthcoming banquet.

Book-Ends Assist Librarians

The purpose of the Book-Ends is to assist the librarians in stocking of the library shelves and helping students find their desired books. They also keep an up-to-date list of catalogues for students wishing information on the college choice.

The library is under the supervision of Mrs. Alta Bennet, head librarian, and Mrs. Nell Crain, secretary.

Robin Beard and Marion Eng make sure that the shelves are plentifully stocked.

Where the Action Was

We have tried to picture Leeites in action whether on the football field, marching, taking tests, dancing, helping others, studying or "goofing off".

For seniors action at Lee is over, but juniors and sophomores can look forward to more action in additional action-filled years.

We, of the 1966 TRAVELER staff, hope you will see and enjoy this pictorial history of Robert E. Lee, "Where the Action Is."

Grand -
this room looks
it doesn't look very good
to you especially this desk
but things have improved
I can't tell you how happy
I am that you made a
squad of course I'm not
